

Dear Friends,

The Environmental Education Coalition of Napa County (EECNC) invites you to support Earth Day Napa, returning on **Saturday, April 18, 2026**, at Oxbow Commons in Downtown Napa. This free, long-running community event brings together local nonprofits, public agencies, schools, and businesses for a day focused on environmental education, community well-being, and connection.

Earth Day Napa welcomes thousands of residents and visitors for hands-on activities, live music and performances, local food and beverages, and opportunities to engage with organizations and resources that strengthen our community. In addition to bringing people together, Earth Day Napa helps support EECNC's programs, including student scholarships and bus grants that help schools access environmental field trips throughout Napa County.

We invite you to support Earth Day Napa as a sponsor. Sponsorship helps support the planning and delivery of the event and contributes to its continued success as a community gathering that promotes environmental awareness.

As a sponsor, your business will be recognized through event marketing and outreach, including social media, event signage, printed materials, and more! Sponsorship opportunities and benefits are outlined in the enclosed packet, along with a registration form and an optional exhibitor booth sign-up. Please complete and return the forms or use the QR code below to submit online.

Thank you for considering your support of Earth Day Napa 2026. We look forward to working together to make this year's event a success for our community.

Sincerely,
Jessica Ardizzone

About Us

The Environmental Education Coalition of Napa County (EECNC) was formed in 2001 as a partnership of local organizations committed to strengthening environmental education across Napa County. The coalition coordinates Earth Day Napa as a free community event that brings local organizations and residents together, while also supporting environmental education through event proceeds, donations, and partner support. EECNC is celebrating 25 years of collaboration and has begun a strategic planning process to guide future growth, strengthen partnerships, and ensure the coalition continues to meet the evolving needs of the community. EECNC is fiscally sponsored by Friends of the Napa River, Inc.

The Field Trip Bus Grant Program helps remove transportation barriers, allowing students to participate in hands-on environmental education experiences throughout Napa County.

Since launching the scholarship program in 2016, EECNC has steadily expanded support for local students pursuing environmental studies. Awards are granted at Earth Day Napa.

A Community-Wide Gathering

Earth Day Napa brings together thousands of residents and visitors for a full day of hands-on activities, performances, food, and opportunities to connect with local organizations and resources. The event is designed to be welcoming, interactive, and engaging for all ages.

"Earth Day is an event the community counts on"

- Chris Benz, Napa Climate NOW!

"We believe in the importance of the Earth Day event for the community and the opportunity it gives to get our messages out to attendees"

-Patrick Costello, Water Resource Analyst, City of Napa

Community Connection

Earth Day Napa brings together local nonprofits, public agencies, schools, artists, and small businesses, creating meaningful connections between community members and organizations working year-round to support environmental education, public health, and community resilience.

"This event is a great opportunity for community members to learn about all things environment and stewardship in Napa"

-Frances Knapczyk, Napa Resource Conservation District

A Place to Stay, Listen, and Enjoy

Live music, performances, and local food vendors help create a fun, lively atmosphere that encourages people to stay and enjoy the event.
